To Whom It May Concern:

RE: Amundsen & Associates.

I would like to tell you about the professional service and relationship our company has with Amundsen & Associates. Jerry Amundsen and his staff are a great company to work with. They have helped us design three of our restaurants, including Johnny J's Diner, Eggington's Restaurant and Old Chicago Restaurant, all located here in Casper. In addition, I have had them design and work with me on my personal residence.

Jerry & his staff are easy to work with. They listen to our ideas, they take our suggestions and improve on them, and they also bring their own fresh ideas to our meetings. There is never an issue to make changes.

I would highly recommend Amundsen & Associates to an organization who is looking to design and build a concept. We will be building a new restaurant in the next year or so, and we will have Amundsen & Associates working on this concept with us. If you would like to speak to me directly about this letter, please feel free to contact me at the above telephone number.

Sincerely,

John D. Johnson
President
